MEMORANDUM OF UNDERSTANDING

Between

The Institute of Mathematics, Vietnam Academy of Science and Technology, Vietnam and

The Institute of Computational Mathematics and Mathematical Geophysics, Siberian Branch of Russian Academy of Sciences, Russia

The Institute of Computational Mathematics and Mathematical Geophysics, Siberian Branch, Russian Academy of Sciences, hereafter "ICM&MG-SB RAS", and the Institute of Mathematics, Vietnam Academy of Science and Technology, hereafter "IM-VAST" are linked by common academic interests and seek to develop collaboration and exchanges in fields of shared interest and expertise. The activities undertaken pursuant to this Memorandum of Understanding (MOU) are based on a spirit of cooperation and reciprocity that is intended to be of mutual benefit to both parties, as described below:

- 1. The ICM&MG-SB RAS and IM-VAST shall facilitate the following activities regarding academic exchange:
- a) Support the exchange visit and informal exchanges of faculties, scholars in mathematical education and research;
 - b) Explore ways to cooperate in postgraduate education and training;
 - c) Organize joint conferences, symposia, or other scientific meetings on subjects of mutual interest;
 - d) Exchange academic information and materials;
- e) Pursue avenues for undergraduate and graduate student exchange during the academic year or summer terms;
 - f) Explore the possibilities for developing joint research programs and collaboration; and
 - g) Other exchange and cooperation programs to which both parties agree.
- 2. Any specific activity, related to those listed above, will be carried out after consultation between the two parties as necessary.
- 3. This MOU shall not bind either party to any fixed financial commitment, support of above activity by either party will be on case-by-case bases.
 - 4. The execution of this MOU should comply with the function, purpose and power of each parties.
 - 5. This arrangement executed hereunder shall be executed in English.
- 6. This MOU shall be signed at Hanoi, Vietnam by the representative of the IM-VAST and at Novosibirsk, Russia by the representative of the ICM&MG-SB RAS.
- 7. Extension or amendment of this MOU, or termination prior to the end of the five-year period, is to come into effect after deliberation by both parties, and after formal written notice is given by one or both parties to the other, six months prior to the extension, amendment or termination of this MOU. Extension, amendment or termination of this MOU shall not affect any programs related to this MOU which are in progress at the time of the extension, amendment or termination.
- 8. This MOU shall become effective from the latest date on which the appropriate representatives of both parties affix their signatures below and shall remain effective for five years.
